You did it! SO PROUD!
Congratulations
 Great Job! Well Done!

Academic achievement is a major accomplishment. Achieving your goals is not always easy but the accomplishments will benefit future successes. You excel by striving for success in a spirit of excellence. Education is extremely important and should be a priority on all grade levels. What you learned in Kindergarten is just as important as what you learn during your senior year in high school. All of it shapes who you are. Proverbs 18:15 (NLT) says "Intelligent people are always ready to learn. Their ears are open for knowledge." You are intelligent! Therefore, remain ready to learn. Keep your ears open for knowledge. Remember, faith comes by hearing (Romans 10:17). By faith, you can exceed all of your educational expectations. There is nothing average about you!

"To accomplish great things, we must not only act, but also dream, not only plan, but also believe." ~ Anatole France
