

As a parent, you understand that your child's first classroom is your home. What they learn there shapes the rest of their lives. Providing the proper training is essential for their future. How do you ensure a successful future? Train up a child *in the way* he should go, And when he is old he will not depart from it (Prov. 22:6). What is the way? Jesus said "*I am the way, the truth, and the life. No one comes to the Father except through Me*" (Jn. 14:6). Although it can be your most challenging assignment, it must remain your highest priority. Deuteronomy 6:6-7 says "And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up.

It's your first ministry! 1 Timothy 5:8
